McCREARY Replies to Blackburn.

Former Governor and Ex-Senator McCreary was a visitor in Lexington Wednesday and gave out a statement in reply to the address of Hon. J. C. S. Blackburn in Owenton. Mr. McCreary's statement is as follows:

"It is hardly necessary for me to respond to the statements reported in the newspapers as made by Senator Blackburn last Monday at Owenton, in regard to my candidacy for Governor. My record is well known in Kentucky."

"I was not declared the nominee for United States Senator when the primary election was held, more than four years ago, but I made speeches in Kentucky for the State Democratic ticket, and did what I could to bring victory to the Democratic candidate for state offices at the time of the last election. If I remember correctly Senator Blackburn was holding an office with a large salary at Panama, given to him by President Roosevelt, and did not participate in the campaign."

"When I became a candidate for Governor in the recent contest, I received letters from leading Democrats of ninety-one counties of the State of Kentucky, who voted for me in my race for United States Senator, asking me to be a candidate. I did not become a candidate for Governor because of the request of the forces that caused Kentucky to go Republican four years ago," as alleged.

"Some opponents of mine, who cannot find anything in my lengthy political record to criticize, insinuate that I am a candidate of a 'faction.' I am not a candidate of a 'faction.' I am a candidate for Governor because, in nearly every county in the State of Kentucky, Democrats asked me to become a candidate, and the primary election will show that my supporters represent the great body of the Democrats in Kentucky."

"When the Democratic State Committee met in Louisville, Ky., last December to decide in what manner the State Democratic candidates should be nominated, I was the only candidate to advocate the primary election, and among the reasons I gave at that time was that primary elections were free to bosses, ring rule and machines. I have always been opposed to machines or factions in the Democratic party, and all know that when I was Governor of Kentucky, there was no bossism or machine rule in the State."

"I believe that Mr. Addams' record, as a distiller and as a supporter of Palmer and Buckner, would deprive him of thousands of votes, if he were the nominee of the Democratic party for Governor. I have always voted the straight Democratic ticket, and for thirty years I have made speeches for the Democratic candidates and Democratic principle in every State race and every national race, but I have never heard of my opponent making a speech in any race."

"My advocacy of religious freedom is known by all persons with whom I have associated and I have made perhaps a hundred speeches in which I advocated religious freedom and the right of every man or woman to worship God according to the dictates of his or her own conscience, and I have financed my own campaigns and paid my own expenses at all times when a candidate for office.

"I will be nominated by a large majority in the primary election next Saturday and I will be able to defeat any Republican candidate for Governor who may be nominated. I will not only be supported by the full Democratic vote, but my Confederate comrades, their sons and their grandsons, and the Independents have assured me of active support."

William Addams for Governor Favors:

1. Stringent educational laws that will secure more schools, better schools and better pay for the teachers in order to secure competency and such a system of schools as will insure equal opportunity to all children. And in order to fully carry out this purpose, should I be elected, I will advocate the counties of the State being permitted to issue the necessary bonds.

2. A constitutional amendment making possible a much needed revision and reconstruction of the taxing system of the State.

3. All legislation necessary to bring the roads of Kentucky to the highest state of efficiency.

4. State bank inspection. And I am in favor of the proper legislation authorizing the appointment of bank examiners or inspectors, with authority to act, and to assess the expenses for such services to such banks.

5. Bringing the militia up to the highest standard of efficiency and freeing same from politics.

6. Organization and co-operation between farmers as well as among laboring men, whether they labor in the field, factory, store or wherever wage is earned.

7. Such legislation as would improve the relation between capital and labor.

8. The strict enforcement of that portion of Article 6 of the Constitution of the United States, which reads as follows: "No religious test shall ever be required as a qualification to any office or public trust."

9. Election of United States Senators by direct vote of the people.

10. The strict enforcement of all the laws on the Statute books.

11. I am in favor of the removal of the Kentucky Penal institutions from politics and in my campaign will advocate such change being made; and should I be elected will also make such recommendations to the Legislature.

12. I favor a direct primary for the nomination of candidates of both parties on the same day under the State's supervision and at the State's expense. Democratic Primary Election Saturday, July 1, 1911.

To Bore for Oil in Shelby.

F. L. Foster, a practical oil operator from Independence, Kas., is so favorably impressed with the prospects in Shelby County that he has submitted his propositions to several farmers to lease the oil privilege on their farms, located four or five miles south of Shelbyville. For several years past there has been a steady flow of oil from a spring on W. W. Howerton's farm and Mr. Foster has sufficient confidence in the prospect to develop the field with his own capital, providing

the owners accept his terms, the nature of which was not made public. This is Mr. Foster's second trip to investigate property, his first visit being made about five months ago.

News of the Diamond.

TUESDAY.

Before one of the largest crowds that has ever assembled at White Park, the pennant won by the Bourbonites last season was unfurled to the breezes with appropriate exercises Tuesday afternoon. Lexington took a hand in the celebration and concluded the big afternoon by administering a complete shutdown to the locals.

Nothing has happened in the history of the game in Paris that has ever brought together such a large crowd as the pennant raising. Hundreds of fans from adjoining towns were present to witness the exercises and the contest between the Colta and Bourbonites.

From the opening session the locals never had as much as a look-in. Schneider was so effective that even with the bases clogged the locals could not clout the ball into safe territory. The visitors pounded out three doubles and a triple and singles to the number of seven.

Frank Eddington, the Lyons, Ind., boy, who last season was a member of the Bourbonite pitching staff, held down the position in right field for the visitors and cut off five times at the bat drove out three safeties. In the seventh with the bases full he clouted for a double scoring three runs.

The visitors took a good lead in the first session. Viox hit safely to right and went to second on Long's sacrifice. Ellis fanned and Yancey hit to center for three bases, scoring Viox and counting when Eddington hit in the same territory.

Lexington scored three more in the seventh. Schneider struck out. Viox hit through McKernan and Long followed with a two bagger to right. Viox was caught between third and the plate. Long taking third on the

on of the game, but the danger of the situation only served Schneider to hand out his best. Both Hauser and Schneider divided strike-out honors, each having eight to his credit. Hauser was very effective against Ellis and forced the heavy hitting Colt to whiff the wind three times out of a possible four. The score:

Lexington 2 0 0 0 0 0 3 0 0 5

Paris 0 0 0 0 0 0 0 0 0 0

Batteries—Paris, Hauser and Goodman; Lexington, Schneider and Sewell. Hits—Paris 7, Lexington 10. Errors—Paris 1, Lexington 1. Earned runs—Lexington 2. Two base hits—Eddington, Long. Three base hits—Yancey. Bases on balls—off Hauser 5, off Schneider 4. Struck out—by Hauser 8, by Schneider 8. Wild pitch—Schneider. Hauser. Passed balls—Sewell 2. Hit by Pitcher—Wahoo. Stolen bases—Ellis, Sewell. Sacrifice hit—Long. Time—1:30. Attendance—2,000. Umpire—Alloway.

WEDNESDAY.

By the close score of 3 to 2 Winchester took the first game of the series from the Bourbonites Wednesday afternoon. The locals put up a stubborn resistance against their opponents but could not overcome the lead taken by the visitors in the opening session. The score:

Winchester 2 0 6 1 0 0 0 0 0 3

Paris 1 0 0 0 0 0 0 1 0 2

Batteries—Paris, Shears and Goodman; Winchester, Brown and McGuire. Hits—Paris 7, Winchester 8. Errors—Paris 2, Winchester 2. Two base hits—McKernan, Harrell. Base on balls—off Shears 2, off Brown 2.

Struck out—by Shears 8, by Brown 2. Wild pitches—Shears 2. Passed balls—Goodman 2, McGuire 1. Hit by pitcher—Burden, Callahan. Stolen bases—Wahoo, Callahan 2, Goosetree, Burden, Kuhlman, Maxwell. Sacrifice hits—Reed, McGuire, Harrell. Umpire—Alloway. Time—2:15. Attendance—300.

THURSDAY.

The Hustlers took the second and last game of the series from Paris yesterday afternoon by a score of 3 to 0.

For six innings King, the newly acquired college hurler, pitched a great ball, allowing the visitors but one hit. In the final tests he allowed the visitors to bunch hits. Burden held the locals safe to three hits during the contest. By losing yesterday Paris relinquished her hold on first position in the pennant race. The team has suffered many reverses in the past two weeks, but the fact that there now remains ten games to be played by the Bourbonites should be encouraging, as Paris is more than likely to carry off the honors for the first half of the season.

Today at White Park the Bourbonites will meet the Pioneers in a double-header. The score:

Winchester 0 0 0 0 0 0 1 2 0 3

Paris 0 0 0 0 0 0 0 0 0 0

Batteries—Paris, King and Mayer; Winchester, Burden and McGuire. Hits—Paris 3, Winchester 8. Errors—Paris 2. Two base hits—Reed, Three base hit—Goosetree. Bases on balls—off Burden 1. Struck out—by King 6, by Burden 1. Pass ball—Mayer. Sacrifice hits—Goodman, Callahan. Time—1:45. Umpire—Alloway.

Rural Carriers.

Good news and a most deserving raise by the Government in salaries of hard worked employees. Beginning with next July all the rural mail carriers having a standard route of 24 miles, will receive a raise in salary of \$100 per year, which will make their yearly salary \$1,000 instead of \$900 as it is now. Those below the standard will receive an increase in proportion to the number of miles traveled in delivering their mail. Their increase will be the third one granted the carriers since the department was established in 1903. The original pay of the carriers was \$660 per year. This was increased to \$750 two years later and in 1907 to \$900.

Jas. E. Rowland Accidentally Killed.

James E. Rowland, aged 68 years, was accidentally killed at an early hour yesterday morning by the accidental discharge of a shotgun in a stable on his farm a few miles from Paris on the Jacksonville pike. His body was found by relatives shortly before the breakfast hour.

Mr. Rowland arose at about 4:30 o'clock yesterday morning and went to the stable to attend to a colt. For several days a dog had been about the premises, and had caused considerable trouble. Several times he had told members of his family he was going to kill the animal.

When he entered the stable the dog put in its appearance and Mr. Rowland went to the house where he secured a shotgun and returned to the stables. In his absence the dog had disappeared and the supposition is he stooped over in an effort to locate the animal under a flooring in the stable when the weapon in his hand was discharged.

The contents of the gun took effect in his head at a point just behind the left ear, tearing away a portion of the skull, death resulting instantly. When found his right hand was in his pocket. Mr. Rowland was one of the best known and most highly esteemed citizens in Bourbon county. For a number of years he lived in Paris where he was engaged in the livery business in connection with Mr. Walter Clarke when they conducted what is known as the middle stable. Prior to that time he was engaged in the same business in Lexington.

Coroner Rudolph Davis was called and held an inquest, the jury returning a verdict of death resulting from a gunshot wound accidentally inflicted.

Mr. Rowland was a native of Woodford county and in the year of 1874 was married to Mrs. Levi Sudith. His wife and two children survive, Allie Rowland, of Jacksonville, and Joseph Rowland, of Lexington. One stepson, Wm. Sudith, and two sisters, Mrs. Ella R. Smith, of Nashville, Tenn., and Mrs. Anne E. Thompson also survive. Two other sisters, Mrs. Allen Bashford and Mrs. James Clark preceded him to the grave.

The remains of Mr. Rowland will be taken to Lexington for burial.

Chased Boss With Razor.

"Kid" Jackson, a negro, was in Police Court Wednesday on a charge of breach of the peace and was fined \$7.50 and sentenced to five days in jail. Jackson, who was employed on a section crew, failed to show up for work Tuesday and the section foreman, Pat Kearne, who went in quest of him and found him at a house in Claysville. Kearne made an effort to induce Jackson to return to work, when the latter entered the house and returning with a razor gave his boss a lively chase. The negro was placed under arrest by Patrolman Bishop.

Frank and Walter Robertson, of Salt Lick, Bath county, came to Paris Wednesday and after imbibing freely, wandered into several houses on South Pleasant street. The residents complained to the police and Patrolman Bishop placed them under arrest. In Police Court yesterday they were fined \$12.50 each.

Mr. Frank P. Bedford, of Bourbon, residing on his large farm near Elizabeth, has adopted as his son, Carl Holton Hamilton, a ward of the Christian Church Orphans' and Widows' Home of Louisville. Mr. Bedford was furnished by the Orphans' Home and others with unquestioned testimonials that the little boy was born in wedlock of reputable parents, belonging to a worthy family. The child was legally adopted by Mr. Bedford in June, 1907, by an act of the Bourbon Circuit Court, which act is recorded in the Circuit Clerk's office. A Good Move.

The Richmond Climax say: "Some
complaint has been made regarding a
practice that has been indulged in by
those who are over enthusiastic over
the ball games at Pioneer Park. So
enthused are some of the local fans
that they are overly anxious to place
money on their favorite teams and
this practice has become a nuisance to
those who do not approve of gambling.
In the future, all forms of gambling
will be strictly prohibited and those
who persist in this practice will not
only be expelled from the grounds, but
will be delivered to the officers of the
law for punishment. It is to be hoped
that all those guilty in the past of
such conduct will take heed and forego
in the future the possibility of arrest
as something must be done to protect
the interest in this great national
game, which will surely wane if gam-
bling is permitted on the grounds."

Deafness Cannot be Cured

by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deafness
and that is by constitutional remedies.
Deafness is caused by an inflamed
condition of the mucous lining of the Eustachian Tube. When
this tube is inflamed you have a rum-
bling sound or imperfect hearing, and
when it is entirely closed, Deafness
is the result, and unless the inflam-
mation can be taken out and this tube
restored to its normal condition, hearing
will be destroyed forever; nine
cases out of ten are caused by
Cataract, which is nothing but an inflam-
mation of the mucous surfaces.

We will give One Hundred Dollars

catarrh) that cannot be cured by

Business Blocks Being Rebuilt.

Preparations are being made to rebuild several of the business houses burned in the fire which destroyed the best of three blocks at Carlisle May 16. All buildings erected in that district will be built of metal, stone, concrete or brick, as an ordinance to that effect has already been passed by the City Council of that city.

Lightning Kills Few.

In 1906 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50¢ at Oberdorfer's.

Rat Slaying Proclamation.

Editor Green R. Keller, of Carlisle, as Grand High Commander of the Rat Slayers, has issued a proclamation calling on all of the citizens of Nicholas county to observe July 3rd as a day to kill rats. Annually on May 27 for a number of years Mr. Keller has led the slayers against the rats, with the result that hundreds were killed, but as the day was not observed this year, July 3 was chosen.

Saved His Wife's Life.

"My wife would have been in her grave today," writes O. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery, and she soon began to mend, and was well in a short time." Infallible for coughs and colds, it's the most reliable remedy on earth for desperate lung trouble, hemorrhages, lagrippe, asthma, hay fever, croup and whooping cough. 50¢, \$1. Trial bottle free. Guaranteed by Oberdorfer.

Smaller Hats for Next Winter.

Small hats - small in size if not in price - will be the rule in women's headgear for next winter, according to delegates attending the Millinery Traveling Men's National Association's Convention, in session at Indianapolis. The salesmen, however, are not taking any chances on the small size of hats, and adopted resolutions protesting against the proposal of railway companies to limit the size of trunks to 45 inches in height.

ALL MY PIMPLES GONE

Girl Tells How a Blotchy Skin Was Cleansed By a Simple Wash.

"I was ashamed of my face," writes Miss Minnie Pickard of Altamahaw, N. C. "It was all full of pimples and scars, but after using D. D. D. Prescription I can say that now there is no sign of that Eczema, and that was three years ago."

D. D. D. has become so famous as a cure and instant relief in Eczema and all other serious skin diseases, that its value is sometimes overlooked in clearing up rash, pimples, blackheads, and all other minor forms of skin irritation.

The fact is, that while D. D. D. is so penetrating that it strikes to the very root of Eczema or any other serious trouble, the soothing Oil of Wintergreen, Thymol and other ingredients are so carefully compounded there is no wash for the skin made that can compare with this great household remedy for every kind of skin trouble.

D. D. D. is pleasant to use, perfectly harmless to the most delicate skin, and absolutely reliable. A 25-cent bottle will give you positive proof of the wonderful effectiveness of this great remedy.

MATRIMONIAL.

The following handomely engraved invitations have been issued:

Mrs. Camilla Wilson invites you to be present at the marriage ceremony of her daughter Nancy Catchings and

Mr. John Ingram Bronson Tuesday morning the eleventh of July nineteen hundred and eleven at nine-thirty o'clock at home, Paris, Kentucky. At home after August the first, Riverside, Jacksonville, Fla.

TURNER-HINON.

The marriage of Miss Edna Earle Hinton, to Mr. Amos Ewing Turney which was solemnized at the home of the bride's parents, Mr. and Mrs. Wm. O. Hinton on Wednesday evening at 7:30 o'clock was one of the prettiest home weddings ever witnessed in Paris.

The home was elaborate with its decorations of green and white. Caught up with white blossoms, ropes and garlands of smilax adorned the windows and doors, while the mantels and cabinets were ornamented with white hydrangea and alder blossoms.

The folding doors between the parlor and living room, where the ceremony was performed, were portered with smilax, each rope being tipped with a lily bell and were caught with bunches of Easter lilies. Tall cathedral candles illuminated the scene.

Before the ceremony, Miss Sarah Van Meter, of Winchester, sang sweetly "Because," and "She Hath Said I Love You." Mrs. Wade H. Whitley played the piano accompaniment. After the ceremony beautiful music was furnished by an orchestra of harp, violin and clarinet.

The bridal party entered the parlor from the hall. First came the ribbon bearers, Arabella Freeman, of Lexington, in dainty white muslin and lace, Russell Frank, dressed in white serge, each carrying white ribbons with the ends caught with Easter lilies. Then came the little flower girl, Nancy Keith Snyder, of Louisville, in white lace and mulle and carrying a basket of white sweet peas. Miss Anna Coleman Van Meter and Mr. Oscar Hinton were followed by the maid of honor, Miss Alleen Power. On the arm of her father, the bride entered last and was met beneath the wedding bell by the groom, who with his best man, his brother, Mr. Jack Turney, entered the room from a side door.

The impressive ceremony was performed by Rev. C. W. Eberhardt, of Frankfort, formerly pastor of the Paris Baptist church. The ring ceremony was used and Elder Carey E. Morgan, of the Christian church, pronounced the blessing.

The bride was lovely in her wedding gown, a princess lace robe over bridal crepe. She wore a tulle veil as a Dutch bonnet with pearl band, the veil being caught with lilies of the valley. She carried a lovely shower bouquet of the same flower.

The bridesmaids and maids of honor were gowned in white chiffon over green messaline, bordered with pink roses. Miss Power carried an arm bouquet of pink lilies and Miss Van Meter white lilies.

After the ceremony and congratulations the guests were served with delicious four-course supper. The members of the bridal party were seated at a large round table, and the other guests were seated at smaller tables. The centerpiece of the bride's table was a low mound of white sweet peas, surrounded with silver candlesticks caught together with garlands of smilax.

Seated at the table with the bride and groom were Miss Alleen Power and Mr. Jack Turney, Miss Anna C. Van Meter and Mr. Oscar Hinton, Miss Mary Fithian Hutchcraft and Mr. Ed Freeman, Miss Sarah Van Meter and Mr. William Taylor, Miss Hilda Threlkeld, of Maysville, and Mr. Bacon Moore, of Harrodsburg. Miss Annette Steele, of Winchester and Mr. Jim Buckner, Mr. and Mrs. John Davis and Mr. Hugh Ferguson.

The gifts of the bride to her maids and flower girls were silver shoe buckles, and those of the groom to his attendants and best man were gold cuff buttons. The bride is one of the most popular young ladies in Central Kentucky, is a graduate of Hamilton College, and a member of the Chi Omega fraternity, while Mr. Turney was a student at Central University and belongs to the Phi Delta Theta fraternity. Both belong to old and influential families, and are beginning life with brilliant prospects. Their host of friends wish them every happiness. After the wedding Mr. and Mrs. Turney left for northern trip.

Among the out-of-town guests were: Miss Lydia Berry, Versailles; Miss Katherine Farra, Nicholasville; Mr. and Mrs. John Dunlap, Dallas, Texas; Miss Martha Van Meter, Mr. and Mrs. Prewitt Van Meter, Mr. and Mrs. Ed Jouett, of Winchester; Dr. and Mrs. John K. Freeman, Louisville; Mr. and Mrs. Yancey Freeman, Prof. and Mrs. C. C. Freeman, Lexington; Mr. Ed Freeman, New York; Mrs. K. P. Snyder, Louisville; Mr. and Mrs. Pierce

Wion, Mr. and Mrs. Robt. Gatewood Winchester; Mrs. Elva Catlett, Owingsville; Mrs. Joshua Owings and Mr. and Mrs. Robert Wina, Mt. Sterling.

Colored Divine Writes from North.

Rev. R. Quarles, the colored divine of this city, is in Boston, Mass., where he is conducting a meeting and writes as follows:

Boston, Mass., June 26, 1911.—I am in the Athens of the United States, and since being here I find that the impression has been brought to bear that the negro in the South is being maltreated to the extent that he must get off the sidewalk when he meets a white man, or bow and scrape at his best.

I am here telling both white and black that such statements are wholly untrue, and that whenever the negro in the South conducts himself properly he is accorded all privileges of a man, and whenever he or she conducts them selves wrong they are rejected.

I am preaching the doctrine that amalgamation has no home in our beautiful Southland—for we believe that "birds of a feather flock together." I am preaching the doctrine that the Southland, so far as the treatment of the good negro is concerned, is truly the land of the free and the home of the brave. I spoke for Dr. Johnson, pastor of the St. Paul Baptist church last night to a mixed audience of white and colored, and took the occasion to say that the best friend the negro has in the South is the white man.

More than a few people shook my hand and congratulated me upon my sermon. Since I have been here I am sure that the people have quite a different view of the South. Respectfully yours,

REV. R. QUARLES, D.D.

Buying Good Furniture,

Is good business. It's sensible and IT PAYS.

That's the rule we practice when WE buy. We get the best that we can buy with our money.

Of course we buy it as cheap as we can. That's natural and also good business.

By doing these things we come to you with an offer like this—We will sell you whatever you may need in our line as high in quality and as cheap in price as you could get it in the largest cities in the country.

As a matter of fact, our prices are often quite a bit BELOW what you are asked to pay at other places.

Will you investigate?
